

AIChE-Chicago Symposium 2007

Recent Developments in Refining, Energy, and Biotechnology

September 25-26, University of Illinois at Chicago

This symposium will focus on real world applications and advances in refining, energy, and biotechnology of general interest to the chemical processing, food, and energy industries.

CALL FOR ABSTRACTS

We are requesting papers and presentations for the following topics:

- *Refining Technology Developments*
- *Energy Conservation Technology*
- *Biofuels and Renewable Energy*
- *Food Processing Technology*

Please submit abstracts to:
aichechicago@gmail.com

Please include your full name, company/institution, and abstract title. The abstract should not exceed one page, preferably in MS Word or PDF format and should indicate the topic under which the poster paper should be considered. Please mark the abstract as "other" for topics not directly related to the symposium topics.

Abstracts are due no later than July 24, 2007.

Notification of Acceptance will be sent by August 7, 2007.
